

Francisco Talamas is a Certified Associate based out of the Adizes Guadalajara Office in Mexico.

Before joining Adizes, Francisco spent 12 years as an active part of operations for a company that produces goods for the apparel manufacture industry. During his tenure he introduced the company into the US market, serving some of the biggest and most important apparel companies and helping to make this company one of the most reliable suppliers from Mexico. He currently serves on the company's Board of Directors.

In addition to his current work providing tools for organizational transformation, as an Adizes Associate, Francisco lectures on various topics of the Adizes Methodology, including the TopLeaF program. He brings his experience in management to real world business situations.

Francisco holds a degree in Industrial Engineering from the Instituto Tecnológico de Estudios Superiores de Occidente (ITESO.)

He resides in Guadalajara, Jalisco, Mexico, with his wife and three children.
