DUSANKA RODIC Adizes Associate

As a certified Adizes Associate, Ms. DUSANKA RODIC is focusing on candidate selection: recruiting and profiling, business development, strategic management, applying motivational strategies, and special HR trainings.

Dusanka works in developing new HR trainings and tools, internal and external candidate selection process, trainings and know-how transfers, strategic management trainings and strategy formulation practical sessions. She worked on the candidate selection process for many companies in Serbia, Montenegro, and Croatia, Israel as well as in Russia and Belarus.

Before she joined Adizes, Dusanka participated in activities organized by Georgetown University, Washington, D.C. in 2006. She also engaged in the course in Project management, product development and industrial design in Nokia headquarters in Finland in 2008. Dusanka holds a BA/BSc degree in economics and MBA in Business Intelligence and Project Management.

Directly for Adizes, Ms. Rodic worked actively for three years, one year in R&D department in developing new HR trainings and tools, and two years in internal and external candidate selection process profiling and recruiting, trainings and know-how transfers, strategic management trainings and strategy formulation practical sessions.

Dusanka is active student of Adizes Graduate School and currently she is enrolled in Master in Clinical Synergetic Organizational Management and Transformation.

Dusanka currently resides in Novi Sad, Serbia.
