Bo Jäghult is a highly experienced Management Consultant. He has worked with governmental agencies and companies in the private and public sectors since 1969. His areas of expertise include business diagnoses, change management, business strategy, business planning, corporate business development, process development, and competence development in leadership.

He was first certified as an Adizes Cybernetic Consultation 1979 and became the founding partner and chairman of Adizes Scandinavia ApS shortly thereafter. He is certified in Adizes Phases 0-VII.

As a Principal Associate in the Adizes Institute, Bo is often called upon to train other associates in the Adizes Methodology. He continues to support Adizes Associates as the Professional Director in Scandinavia and Western Europe. Bo is also the chairman of The Adizes Professional Council worldwide. He graduated in 1963 from DHS Stockholm School of Economics with advanced degrees in Business Administration, sociology and statistics.

He can work in Swedish, Danish, Norwegian, and English and can speak German. Bo has been written six books including, *The Dynamics in the Management Group* and *Carrots*, a book about bonuses, appraisals, and other rewards systems. He currently lives in Stockholm, Sweden.
