Rafael Kominich de Mattos is an associate of the Adizes Brazil office and is highly involved with developing ways to apply Adizes concepts in Brazilian organizations and universities. Rafael is working directly with Wilson Fukushima and Carlos Valdesuso, who are lifetime members of Adizes Institute. Rafael is a PMP (Project Manager Professional – PMI) and gives lectures in project management, strategy, and coaching in some Brazilian universities and business schools. Additionally Rafael had some small businesses which enriched his experience on applying Adizes to different sized companies.

Rafael has a practical and creative way to develop and implement Adizes concepts and approaches to create learning environments so people can really perceive the Adizes value. He regularly presents advanced concepts of the Adizes methodology to executives and CEOs in Brazil, and continues to provide organizational transformation services to many major organizations, both for profit and not-for-profit. Having studied at the Insper, São Paulo-Brazil, Rafael graduated in 2002 with a B.S. in Business. Also Rafael is finishing his Master's degree at UNICAMP, Brazil. He currently lives in São Paulo, São Paulo-Brazil and works in English and Portuguese.
