Olga Gurskaya first started working with The Adizes Institute in 2017 as the Country Representative in Turkey. In this capacity, Olga introduced the Adizes Methodology to a wide number of organizations in Turkey.

In the meantime she became a certified Adizes Synergetic Consultant helping teams to integrate their efforts in solving their biggest problems. Olga continues learning and practicing the methodology benefiting from collaboration with the best experts from USA, Serbia, Russia, Ukraine, Latvia and other countries.

Before joining Adizes Institute for more than 20 years Olga was working in big multinational companies increasing the responsibilities from Assistant of Finance Director in Radisson Hotel in Moscow in 1992 to a Cluster CFO for Middle East, Egypt, Turkey and Pakistan in Johnson & Johnson Medical in 2015.

During her career Olga enjoyed helping her company, her team and subordinates to achieve extraordinary results through high engagement, increased professionalism, trust and respect.

Olga graduated from Moscow Technical University named after Bauman, radio-engineering department. She also earned an accounting certification from ACCA (Association of Chartered Certified Accountants, UK), and an Executive MBA degree from MIRBIS, Moscow.

After her corporate career she completed a coaching education at the Institute of Professional Excellence in Coaching (USA), and she is a Certified Professional Coach holding PCC credentials under ICF standards. She is helping teams and individuals to achieve their full potential, working as a solo entrepreneur with companies and individuals in Russia, Turkey and other countries.
